2022 PACKAGES

The Alberta Community Crime Prevention Association (ACCPA) was established in 1989 as a connector between rural and urban communities and agencies. Our goal is to ensure safe communities for Albertans through education and crime prevention awareness.

One of our major initiatives is our annual conference. Our 2022 conference theme is *Every Voice Counts: Holistic Approaches and Practices to Community Health and Safety*. The event will be held at the Coast Canmore Hotel and Conference Centre. Pre-Conference Training and Workshop sessions will be offered on May 9; conference sessions will run May 10 and 11.

Designed to bring together community members, business owners, government, and law enforcement professionals our conference features sessions for both rural and urban delegates. Speakers will showcase the importance of technology, collaboration and partnership with community safety stakeholders.

This important conference provides you with an outstanding opportunity to promote your business. Sponsorship may be paid in cash or in kind. You can learn all about sponsorship opportunities in this information package.

Visit our conference [website](#) for more information.

We look forward to tailoring a sponsorship package just for you! Your support will go a long way toward enhancing community safety efforts in our province and making this conference a great success. When our communities are connected, engaged, and empowered, we have a sustainable community where everyone is safe, everyone has a sense of belonging, and everyone has access to services.

Sincerely,

Bettylyn Baker
